FROSTED BETTY

BAKE SHOP®

MENU

Frosted Betty was founded on the idea of creating community through food. Not only are our ingredients very important to us, but we also care about the impact we have on our environment.

We use fresh local organic products and choose recycled or biodegradable material for our packaging. We are committed to creating baked goods in a responsible and sustainable manner.

Corners are never cut and we bake from scratch throughout the day using only the best ingredients. We appreciate your business and thank you for supporting our vision.

Our daily menu changes based on the season and the availability of fresh ingredients. Our bakeshop offers an assortment of tasty treats baked fresh daily. Please visit us or call to see what is fresh on the menu for the day.
